Nobody appreciates what children have missed out on more than you. Scouts' Activity Centres passionately deliver inspiring adventures to thousands of young people each year at our centres. Baden-Powell is set on beautiful grassy surrounds fringed by Lane Cove National Park, in Pennant Hills. Situated in North-West Sydney, the Centre is easily accessible to major highways and into the CBD. It has a range of adventurous activities for all ages.

### Your choice of three Adventurous Activities from:

Dedicated activity leaders will stay with your group all day and give expert instruction. Enjoy the beautiful picnic facilities for breaks. Our Centres are fully COVID-safe compliant, with all equipment cleaned during the day as per our COVID approved plan.
